

Hythe Bay Children's Centre Nursery

Term 4 Newsletter 2023/2024

What we have been doing

In term 4, children have observed and taken part in science experiments, learnt about living things' life cycles, habitats and homes, and explored the four seasons, with a focus on Spring weather, plants and animals.

What we will do next

We hosted a 'walk-in-Wednesday' for parents on 27th March. Children's assessments have been completed, and parents are welcome to arrange parents' meetings with key persons, rooms leaders, Shane (SENCO) or Radka (manager and teacher). These could be in person or via phone-call. In term 5 we will be learning about different careers, hobbies, religions, languages and cultures for our people in our community curriculum topic. We have contacted professionals from Kent police, ambulance and fire rescue services to hopefully organise for them to visit our nursery. Please speak with Radka if you, or someone you know, would like to volunteer to talk with the children about a career, hobby, religion or culture.

Staff news

We would like to welcome Maddie who joined our team in February. All members of staff have completed Eat safe training.
