## Newsletter September / October 2018

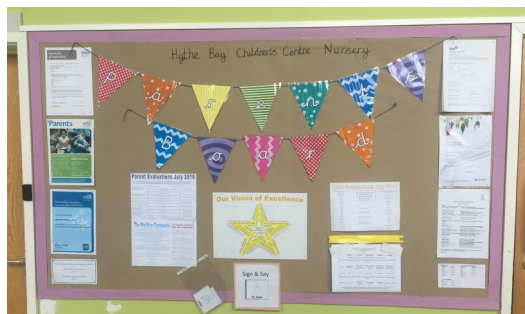

### What We Have Been Doing

We have said good bye and good luck to the children who are starting school in September, and hello to all our new children and parents at home visits and settling sessions. The nursery has been rearranged and thoroughly cleaned, ready for the new academic year.

### Parents' Board

Some of you were unsure where our parents' board is. This is the main parents' board, on display in the corridor leading to the main nursery building. There is another one on show in the entrance of little nursery.

### Parent and child evaluations

Thank you for your feedback! There were many positive comments, praises and thank-yous, which we really appreciate! We have displayed the feedback and responded to comments and suggestions on posters on the parents' board. Your feedback, suggestions, questions and comments are always welcome - in person, or via email, phone or parents' boxes. Thank you.

### Staff News

Lucy has got a new job so will sadly be leaving us! Her last day will be 11th September and we wish her the best of luck!

Julia is our new Nursery Teacher! We also have new cover staff members - Ann and Lucie.

Anne, our administrator, will be working part-time from October.

### Staff Training

Our September staff development days will focus on safety at work (manual handling, fire safety, food safety, risk assessments, and COSHH), safeguarding, online safety, prevent duty, teaching in the early years, in the moment planning, and disability awareness. Staff also have time for individual research or online training.
