

HYTHE BAY CHILDREN'S CENTRE – NURSERY
Fees from 1st September 2022

Dear Parents

Please find below confirmation that the fees will not be increased from September this year, as approved by the Trustees.

We always keep our nursery and out of school club fees for parents as low as possible, whilst ensuring that we can continue to provide a high quality provision for our children and remain sustainable. Our trustees have confirmed that we do not need to increase our fees this September. We are also able to continue to provide free meals and snacks at nursery.

Hythe Bay Children's Centre is a non-profit Charity whose ethos is to ensure that any monies received ensure the viability of the Nursery and the costs involved in running it. We remain committed to offering accessible childcare at an affordable price. Therefore, we will begin to monitor our finances and review our parents' fees termly.

Parent contribution for children receiving funded hours

We continue to offer up to 30 hours of Funded Early Education for eligible parents. We request a small voluntary contribution from parents to help towards the cost of administration, meals, trips and extra-curricular activities as these costs are not covered by the government funding. This is a charge of £3 per week per child, for children who are in receipt of funded hours.

If you have any queries, please do not hesitate to contact us.

Yours sincerely

Vicki Dumont
