What We Have Been Doing

We focused on mindfulness, calmness, recognising emotions and regulating behaviour for our colourful fundraising and wellbeing week. We've gone for some local walks. Some children have enjoyed an ICAN boost group with Radka.

COVID-19

Symptoms: a high temperature, a new, continuous cough, a change to sense of smell or taste. A symptomatic person must stay home and be tested. Please let us know if someone in your household has any of the symptoms, and if they test positive for the virus. It is important everyone follows the guidelines such as social distancing, wearing face coverings, and frequent hand washing. Our staff team members are participating in symptom-free COVID testing. There are also asymptomatic tests available for all parents and children. Our risk assessment is available on our nursery website.

Policies

Some of our policies and procedures were reviewed in our October trustee meeting. The updated policies have clarified that we are no longer able to administer emergency paracetamol to 2+ year olds. We have shared updated policies on our nursery website and parents' boards. We will continue to review our policies and procedures and share them on the website and parents' boards.

Late Collection Please arrive on time or early to collect your child from nursery. We may charge a lateness fee of £1 per minute late. Thank you.

Amazon Smile When you shop using smile.amazon.co.uk and choose **Hythe Bay Children's Centre**, Amazon will donate to our charity.

Volunteers wanted Please let Radka or Carly know if you would like to volunteer to read to the children or discuss your occupation, culture or language.

Staff News Kim has gone on maternity leave and Sally has left Hythe Bay. We'd like to welcome Lily-Mae to our team as a new Key Person. We have some new cover staff members joining us soon too.
